ENGINEERING DEPARTMENT.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notice dated 4th March 1919.

Notice is hereby given that sealed tenders will be received by the undersigned up to the 25th March 1919, noon, for the supply of the undermentioned article required for the use of the Electrical Department.

2. Tenders should be submitted on their own forms showing the rates at which the item specified below will be supplied. Only the first quality materials are to be tendered for.

3. Each tender must be accompanied by a deposit of Rs. 100 as earnest money. and be superscribed "Tenders for the supply of materials required for the use of the Electrical Department," in default of which, tenders will be rejected.

4. The final acceptance of the tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer reserves the right of awarding any part or portion of the supply to any tenderer.

5. After tenders are opened, no change of rates under any circumstances will be allowed. They will be opened in public at 2 P.M., on the 26th March 1919.

6. On acceptance of any of the tenders, the earnest money on rejected tenders will be returned. The earnest money of the successful tenderers will be returned when the whole supply is completed satisfactorily.

7. The rate tendered for the item shall include cost of delivery, F. O. R., Mysore, and shall be binding on the supplier from the date of acceptance to the date the complete supply is made. No charge will be allowed for packing or carting.

734

8. Materials supplied found not to be up to standard in quality or to other causes, will be rejected and the supplier shall remove and shall guarantee to replace same with fresh materials then and there. (All charges incurred on the rejected materials will be debited to the supplier.) Sample of the material should accompany the tender, otherwise the tender will be rejected.

9. Should the successful tenderer fail to supply the required material or replace the rejected material in time, the same will be purchased elsewhere and the difference in cost between the rate tendered for and that at which the material is purchased will be debited to his account.

1. Copper tape $1'' \times \frac{1}{8}''$ ... ... 2,250 R. ft.

Notice dated March 1919.

In continuation of the notification appearing in the *Mysore Gazette* of the 21st November 1918, intimating that no new lighting connections in the Cities of Mysore and Bangalore and the Civil and Military Station would be given until the additional Electrical Machinery was received, the public in Bangalore are hereby informed that cable advices have been received to the effect that the machinery was shipped on the 27th January 1919 and it is expected that it will be received shortly and erected in Bangalore by about 1st May 1919. Lighting installations may therefore be got ready and the power connections in Bangalore and Civil and Military Station will be given as early as possible after that date.

S. G. FORBES,
Chief Electrical Engineer.

WATER-SUPPLY DIVISION.

Dated 1919.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water-supply Division, up to 1st May 1919, for supply of 4,000 tons of jungle and 1,000 tons of casuarina fuel required for Bethamangala Pumping Station for 1919-20. These quantities are not guaranteed. The work should be completed by the end of March 1920.

2. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit
Casuarina fuel	Ton	
Jungle fuel	Ton	

3. Each tender must be accompanied by a deposit of Rs. 2,000 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for the supply of jungle and casuarina fuel for Bethamangala Pumping Station," in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond ; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. Specification for jungle and casuarina fuel are herein enclosed.

9. The contractor whose tender has been accepted should begin the collection immediately after the order is placed with him and the supply in the first month should not be less than 100 tons of each kind.

10. The monthly collection of the balance should not be less than 300 tons of each sort.

K. S. HUTCHA RAO,
For *Executive Engineer.*
